

# Stainless Steel Integral Bonnet Non-Rotating Stem Valve, 0.53 Cv, 1/4 in. MNPT x 1/4 in. FNPT, Buna C O-rings, TPED

Part #: SS-16DPM4-F4-BC-PD

| Specifications               |                                         |
|------------------------------|-----------------------------------------|
| Body Material                | 316 Stainless Steel                     |
| Cleaning Process             | Standard Cleaning and Packaging (SC-10) |
| Connection 1 Size            | 1/4 in.                                 |
| Connection 1 Type            | Male NPT                                |
| Connection 2 Size            | 1/4 in.                                 |
| Connection 2 Type            | Female NPT                              |
| Maximum Temperature, °F (°C) | 150 (65)                                |
| Minimum Temperature, °F (°C) | -4 (-20)                                |
| eClass (4.1)                 | 37010201                                |
| eClass (5.1.4)               | 37010201                                |
| eClass (6.0)                 | 37010203                                |
| eClass (6.1)                 | 37010203                                |
| eClass (10.1)                | 37010203                                |
| UNSPSC (4.03)                | 40141602                                |
| UNSPSC (10.0)                | 40141602                                |
